APPLICATION ESSAY QUESTIONS:

Submit typed responses to the three questions listed below. Remember – the answers you write to these questions will be used to evaluate your application. Put thought into each answer, and be sure to proofread! And most of all—be yourself.

1. The *CDC Disease Detective Camp* teaches attendees about the scientific field of public health. Tell us what you know about public health and why this camp is appealing to you. Use your own words. If you do not know much about public health yet—that's OK! Use a reputable source to find a definition, but do cite your source. (250 words or less)
2. Tell us something interesting about yourself that you think we should know. (250 words or less)
3. What has been your favorite learning experience? This does not have to be limited to a school experience. (250 words or less)

Your application will be rated based on your ability to follow all the directions indicated in the application, completing the entire application, the quality of each essay question, the teacher recommendation, and submitting before the April 1st deadline.
